MORE ABOUT OUR GORGEOUS VILLAGE...

We hope you enjoy exploring all the wonderful delights Walberswick and the surrounding areas have to offer.

This coastal village is a popular holiday destination for those who wish to experience its unspoilt charms in an area of outstanding national beauty on the Suffolk Heritage Coast.

Within Walberswick there are tea rooms, restaurants, an art gallery, village shop, original crafts and gift shops. Southwold lies to the north side of the River Blyth, which may be crossed by pedestrians and cyclists either by the Bailey bridge where the old railway ran, or the foot ferry that runs during the summer months. A major attraction for children is crabbing by the harbour, which is formerly the home of the British Crabbing Championships, run from 1980 to 2010, it's a fun and inexpensive family day out. Just remember to look out for the crabs and treat them gently before popping them back to get bigger for next time.

The village also has a long sand and shingle beach backed by grassy dunes and surrounded by marsh and heathland. The nature reserve, which follows the River Blyth estuary, covers over 1,000 acres, combining mudflats, meadows and marsh.

At the top of the village is St. Andrews Church, the size of the ruins within which it stands demonstrating how wealthy and large the Parish once was. In fact this was the village's third church built at the end of the 15th Century. Once prosperous, the church lost its tithes, became decayed and had to be partly dismantled to provide for repairs and restoration to the south aisle. Walberswick has history and stories galore.
